

Bath Photographic Society is really pleased to be back with its annual exhibition.

Once again our members have enjoyed turning their images into high quality prints and look forward to sharing these with visitors to our exhibition which runs from the 26-30 April in the heart of Bath.

Visitors can expect to see a wide variety of work displayed in St Michael's Church, Broad Street BA1 5LJ, from landscapes and travel to nature, portraits and abstracts.

Entry is free and the exhibition will be open from 10am to 3pm each day.

I had the pleasure of visiting this Exhibition before the Covid-19 chaos and was very impressed. The venue is superb. You won't be disappointed if you enjoy seeing quality work printed and presented to the highest standard.
